How is the arbitrator assigned to a file?

Unless applicable law or the parties' agreement provides otherwise, one (1) arbitrator shall determine the dispute, except as otherwise provided in this section. The AAA will submit a list of nine (9) members of the Accident Claims Panel from

which each party may strike up to two (2) names on a peremptory basis within twenty (20) days of AAA's submission of the list. The AAA will appoint the arbitrator from among the remaining names.

NOTE: If the parties fail to agree on any of the arbitrators, if acceptable arbitrators are unable to act, or if for any other reason the appointment cannot be made from the submitted lists, the AAA retains the power to select an arbitrator from other members of the panel without submitting additional lists.

Three (3) Arbitrator Panel

Where the amount claimed and available coverage limits exceed minimum statutory financial responsibility limits, upon request of a party within twenty (20) calendar days after AAA acknowledged the Claimant's Demand, a panel of three (3) arbitrators shall determine the dispute. The AAA will submit a list of nine (9) names from the Accident Claims Panel and allow each party to strike up to three (3) names on a peremptory basis within twenty (20) days of the AAA's submission of the list. The AAA will appoint three (3) arbitrators from among the remaining names. An additional administrative fee of \$900.00 shall be due and payable when the request for a panel of three (3) arbitrators is made.

Party Appointed Arbitration

Some arbitration provisions will specify dispute resolution by party appointed arbitration. Party appointed arbitrations occur where the claimant and respondent each submit the name of its selected arbitrator, respectively. In this arrangement, both arbitrators then agree to a third arbitrator. The claimant and the respondent each pay compensation for its respectively chosen arbitrator, and both parties split the compensation for the third arbitrator. The parties must submit the arbitrator's names, home/business addresses, phone numbers, e-mail addresses, professional resumes, and tax identification numbers to the AAA. The AAA will add this information to its list of arbitrators.

NOTE: If the relevant policy specifies a particular method of appointing an arbitrator or the parties agree upon a method in writing, the arbitration shall be guided by such procedure. If the parties request in writing that AAA assist in appointing a neutral arbitrator to complete a pre-designated panel, the parties will be required to pay an additional fee of \$300.00 as compensation for the arbitrator.

Is the filing fee refundable where the claim is settled, withdrawn, or closed administratively?

The party initiating the mediation or arbitration shall pay the initial administrative fee of \$250.00 to the AAA. There will be no refund where the matter is settled, withdrawn, or closed administratively.

Is mediation an option for resolving Accident Claims?

Since mediation is a voluntary process, all parties to the dispute must consent to participate. Upon request, the AAA will submit a mediation form to the Claimant. The Claimant instead may indicate its willingness to mediate on the Demand for Arbitration form. The AAA will contact the other parties and attempt to obtain their agreement to mediate. If there is no agreement to mediate or if mediation proves unsuccessful, the parties may proceed to or continue the arbitration.

Any party needing a record shall make arrangements directly with a stenographer or court reporter and must notify the other party of such arrangements in advance of the hearing. The requesting party is responsible for all costs associated with the record. Exceptions to this responsibility include the parties' agreement to the contrary or the arbitrator's assessment of expenses or any part thereof against a specified party/parties.
