

User Community Notice

Dear Valued No-Fault Customers:

We are pleased to share with you a change to **Attorney Fees in the Settlement Tool** in ADR Center. The online settlement tool has been updated to give customers another option for selecting attorney fees.

If **Interest Accrual Date** is selected, users can choose the following language via the drop down menu:

- "The insurer shall also pay the applicant for attorney's fees pursuant to 11 NYCRR 65-4.6."

The screenshot shows a form with four sections:

- 1 - Principal Amount: [Text Input Field]
- 2 - Interest: [Interest Accrual Date ▼] [Text Input Field] [Calendar Icon]
- 3 - Filing Fee: [Text Input Field]
- 4 - Attorney Fee: [Pursuant to 11 NYCRR 65-4.6]

Below the Interest section, there is a text block: "Respondent shall compute and pay to Applicant the amount of interest from at a rate of 2% per month, simple interest using a 30 day month and ending with the date of payment subject to the provisions of 11 NYCRR 65-3.9"

An arrow points from the Attorney Fee dropdown menu to a text box on the right that reads: "Selecting the 'Pursuant to 11 NYCRR 65-4.6' dropdown will generate the provided text. There is no other Attorney Fee field generated that requires a user input."

Thank you for your comments and your patience while we improved the tool functionality an efficiency to better meet your needs. Please call or email your ADR Center Team if you have any questions or comments.

Sincerely,

American Arbitration Association
